When family & friends come together to break bread, something magical happens! The feeling of togetherness around a table full of food warms our souls. We hope you enjoy our family restaurant. Founded in 1997 by JP & Barbara Pinocchio we are proud to call Reno/Sparks our home. The Pinocchio family roots run deep in the restaurant business. JP & Barbara actually met while working together at the Board of Trade in Reno Nevada. Fast forward 20+ years & you see daughter Jillian hustling around the restaurants following in her family's footsteps. There is no secret to success here. Hard work & dedication have been the foundation of these restaurants since day one! While we pride ourselves on our businesses, we hang our hats on our community involvement. Without all of you there would be no us! From youth sports to outside events, more often than not you will see us trying to lend a hand in any way we can. This philanthropic passion sparked our desire to do more. In the year 2000 Pinocchio's Moms on the Run was started! Our local charity has contributed several million dollars to help women battling breast & gynecological cancer. As you can tell this is much more than a business for us, this is our home! We hope you have enjoyed our family's story so far & we hope you enjoy your meal!
